Coin Story:

The American Silver Eagle is one of the most famous and best known bullion coins worldwide and celebrates its 30th anniversary in 2016. To honour the event, this premium set has been issued. It includes the 2oz. silver bar holding the official 1oz American Silver Eagle coin. Both pieces are struck in .999 pure silver and are limited worldwide to only 5,000 pieces with the individual numbering on each bar emphasizing this strict mintage.

Your coin shows the heraldic eagle echoing the Great Seal of the United States. On your coin's obverse is the design of the "Walking Liberty" originally developed by Adolph A. Weinman for the Walking Liberty Half Dollar minted from 1916 to 1947. Due to its popularity the design was revived for the Silver Eagle coin first issued in 1986. On your bar is the Capitol in Washington and the constitution of the USA. The obverse of your bar honours the 30th Anniversary of the Silver Eagle coin while showing the anniversary inscription, a stars and stripes banner, and the flying eagle.
