Coin Story:

Released on 18 October 1967 and based on Rudyard Kipling's classic tale, The Jungle Book was the last animated feature Walt Disney supervised. And while Walt didn't live to see the completion of the film, it was met with great praise by the critics and became one of Disney's all-time box-office winners. A family-friendly musical, the film included songs such as "I Wanna Be Like You," "Trust in Me," "That's What Friends Are For" and the Oscar-nominated "Bare Necessities."

The film tells the story of Mowgli, a man-cub raised by a family of wolves, who finds he is no longer welcome in the jungle when fearsome tiger Shere Khan threatens him. Urged to abandon the only home he has ever known, Mowgli embarks on a journey of self-discovery, guided by panther-turned-stern-mentor Bagheera and the free-spirited bear Baloo. Along the way, Mowgli encounters jungle creatures who do not exactly have his best interests at heart, including Kaa, a python, and the smooth-talking King Louie.

A must-have collectible for Jungle Book fans!
